

Porsche & Pastries #4 Sept 19th 8-11AM

Krema Coffee House, 24038 W Lockport St Plainfield, IL
(815) 616-6933

We are heading Southwest for our next P&P. Some of you probably think that Plainfield is too far away, but it is only 25 minutes away from Cafe Labriola.

Plainfield's Lockport Street is just like taking a step into the movie "It's A Wonderful Life"...I promise it is worth the drive. Come for Coffee and stay for shopping/lunch on Lockport St.

Kathy and I have been your Social Coordinator Team for 5 years. We have driven all over the City as your hosts of over 70 events. We have decided it is time to pass the torch at the end of this year and make room for some new blood. We are hoping you can send us off with an event in our backyard.

In addition to Plainfield's very cute Lockport Street and sending us off with a nice crowd...we are willing to bribe you with a 50% off discount for members wearing their PCA Club name tags. Everyone attending will get some raffle tickets for some raffle prizes.

Our host for this event is Crema Coffee House and they are putting a special limited menu just for the Club. Kathy and I took one for the club by testing the

tasty treats Krema's owner Kacie is putting together for us. We can report that everything is wonderful and you can't go wrong.

Parking

Parking on Lockport St is limited due to the outdoor seating areas of the local restaurants so we will be parking in the Plainfield Municipal lot at 15025 S Illinois St. Krema is less than 100 yards from the Library.
