GRAND TOURING

This year we are eliminating the Grand Touring class. Any class that includes the judging of the engine will require access to the top of the engine. If you are showing a newer Porsche, this may require the removal of a shroud or panel to gain access.

COACHING CORRAL

If you are new to concours and are not quite ready to have your car judged, then be part of our new coaching corral. One of our many experienced judges will look at your car and give you helpful tips and guidance to get you ready to compete. A great way to get started, meet new members and become a regular concours participant.

REMEMBER let the registration team know that you want to be part of the coaching corral when you pay your entry fee.
