

Porsches & Pastries #6 Nov 10th 9AM

Collectors' Car Garage

2500 W Bradley Place Chicago, IL

We are heading into the city for our last Porsches and Pastries of the year.

Since the weather can be iffy in November, Club member Adam Kern suggested visiting Collector's Car Garage on the West side of Chicago.

CCG's facilities make a perfect venue for unpredictable weather conditions: we can gather outside—in their large, secure parking lot—if the weather is good, or head indoors—inside their 60,000 sq. ft. dust-free, climate controlled garage—if the weather turns bad. Aaron Wallace, CCG's head of Membership Development will be conducting tours of CCG; you can reach him at www.collectorscargarage.com, or at aaron@ccgchicago.com

There's easy access via the Kennedy Expressway (I-94) at Western, California or Addison. CCG is located behind WGN's Studio.

The Club will be providing coffee and donuts, so we'll need everyone to register online at

"Club Reg" by 7PM on Nov. 8th <https://clubregistration.net/events/signUp.cfm/event/9336>
