We are taking the Porsches and Pastries on the road again to visit a new location...this time we are heading to Northfield.

Club Member Ron Bean gave me the suggestion to take a look at Three Tarts Bakery. Kate and Ann are the owners and they are excited to host the club to their wonderful bakery/cafe.

There is limited parking and the landlord has asked us to park on the outer edges of the parking lot so that we don't interfere with the other business in the plaza. We need to be out of the parking area just after 10AM so please arrive early(opens at 7AM) so that you have time to meet everyone and hear about their plans for the rest of the year.

Please remember to wear your name tags to get a special discount and help meet everyone. Kate and Ann have asked me to give them an idea of how many of our members are attending to make sure they is ready for us so please take a minute to sign up at Clubregistration.net.
