

Porsches & Pastries #6 Nov 9th 9AM

Collectors' Car Garage

2500 W Bradley Place Chicago, IL

You may have noticed I have set up our last 3 Porsches and Pastries at their last year's locations.

Since the weather can be iffy in November, one of members Adam Kern suggested visiting Collector' Car Garage on the West side of Chicago.

CCG's Facilities make a perfect venue for iffy weather because we can gather outside in their large secure parking lot if the weather is good or we (members, not cars) can head inside their 60,000 sq. ft. Dust-free Climate Controlled Garage if the weather turns bad.

Aaron Wallace, Head of Membership Development will be conducting tours of CCG.

<http://www.collectorscargarage.com/>

There is easy access via Kennedy Expressway (I-94) at Western, California or Addison...CCG is located behind WGN's Studio.

The Club will be providing coffee and donuts so we need everyone planning on attending to register online at Clubregistration.net by 7PM Nov. 7th
