Soda, tea, and coffee are included...There will run a cash bar for us and will have a couple of \$4 special pints pouring just for our members...We will have a private room.

Small groups of 10 members will be taking on tours of the brewery.

There's a pay parking lot at 730 W Lake, and it's safe, secure, and only a block away. I recommend using Spot Hero ASAP to secure your \$8 parking spot.
