Thankfully, every errand is connected by a road.

One step on the accelerator and your faith in purity is wholly restored. The Porsche Cayenne GTS remains unrelentingly faithful to its motorsport bloodline. A naturally aspirated 4.8 liter V8 engine delivers 420 horsepower. Acceleration from 0-60 in 5.4 seconds. A top track speed of 162 mph. It's performance that's in full service of the driver, while amply suited for any and all errands. See how purity suits you, with a test drive. Porsche. There is no substitute.

Legendary Porsche performance with four passengers. We're definitely defying the laws of something.

No one has the capacity to break the rules more than Porsche. And now, the new Panamera. The legendary sports car driving experience built for four. The staggering Porsche power is unmistakably present. As is the relentlessly precise handling. And with the addition of a second row of executive seated passengers, there's no end to the rules you can break. Porsche. There is no substitute.

The Panamera. Experience pure Porsche performance for four.
