SPRING ROUNDUP  
FROM THE OLD

By Wilma White

Dear Bob,

It's too bad you have to work for a living...you really missed a good event by going to the Land of the Midnight Sun instead of our first autocross of the year. Of course, I really can't complain since I help spend the earnings!

Although the day started out rather soggy, by 10 o'clock the sun was shining on the Libertyville NIKE Site. As the day progressed, both the sun and the course got hotter and we had more than a few red faces at the end of the day, due to either a sun and/or wind burn or embarrassment from cooking it too hard on the course and taking out a pylon or two after the finish line (or before it, for that matter). Then there was Harold Beach who managed four DNFs. His face was red because it reflected the exact shade of Ray Cury's fire engine red shirt as Ray complimented Harold's driving prowess. All in all, it was a bad day for Harold since it was announced that the meal for the June boat ride would be chicken, in his honor.

The autocross was laid out on an abandoned runway and utilized another short piece of pavement, so it was basically in the shape of an inverted "L". Joe Hill, Hokey, and Bob Simpson did a good job of making the course interesting. They also did a good job of sweeping gravel and stones on Saturday, so your car suffered no dings or chips. That proves to you that I stayed on course (well, mostly!). The event chairmen had worked hard and long to make everything right and for the most part they did OK. However, Joe forgot to plan on the Government, and they ended up breaking into the facility early Sunday morning because the Government-provided key did not fit into either of the two Government-provided locks. As you know, Joe's a good talker and he got them out of it when the cops showed up ten minutes later looking for an explanation!

We had a good turnout as far as members and applicants were concerned with several persons showing up who were sans Porsche, just there to enjoy the sun, sights, and sounds. And a few who came out just to watch got the old juices flowing and registered at the last minute. Due to the usual efficiency of the timing crew, drivers were treated to four runs and we still finished up in time to bend an elbow before dinner at Hans' Bavarian Lodge while the "whale tales" were being embellished as each successive beverage (and after the long, sunny day we were all very dry!) was imbibed.

Good company, an excellent meal, and interesting, unusual trophies ended another Chicago Region event. I know you'll probably write back about the smorgasbord you went to, the lovely, young, co-operative, blond, Nordic goddess who accompanied you, and the races afterwards at Anderstorp, but I also know that you'd just as soon come half way around the world to spend the day with the Chicago Rowdies. We're all sorry you missed it...we missed you!

Love,

*Wilma*

### CRUISING DOWN THE RIVER

Date: Saturday, June 20  
 Time: 6:00-8:00  
 Place: Pottawatomie Park  
 St. Charles, Ill.

If it's summer (?) then it must be time for a boat ride! Last year our boat ride in Chicago was such a huge success everyone decided we should do it again. So, here it is, only this time bigger and better. We'll be cruising down the river, the Fox River that is, on an old fashioned paddlewheel boat. The St. Charles Belle (as the brochure states) was especially designed for sightseeing, relaxation, and romantic dancing in the moonlight on the Fox River. Sorry, you can't bring your car on board for that romantic evening. A brand new boat should be ready for our ride. It will hold 60-70 people on the enclosed lower level and 20-30 more on the upper open deck. We'll have lots of room for everyone, so if you missed our boat ride last year come on out and join us this time.

The cost is \$7.00 for adults and \$4.50 for children under 10. The price includes a 2 hour boat ride from 6:00-8:00 and a scrumptious buffet dinner served during the ride. The meal will include hot Southern fried chicken, potato salad, baked beans, cole slaw, rolls, pickles and olives, cake and ice cream for dessert, and coffee and lemonade. Liquor will not be served but you are allowed to bring your own liquor on board.

The St. Charles Belle docks at Pottawatomie Park in St. Charles. (See map.) Please try to arrive before 6:00 so we can all be on board and ready to shove off on time. I will need a count of everyone coming on the boat ride by Wednesday, June 17, so mark your calendar now and send your registration in early.

Never! The Clifford Electronic Lock System is the one auto security system so advanced, it leaves all other security devices in the dark ages, and professional thieves helpless.

The L.A.P.D. considers Clifford the only sure protection for a Porsche 911. In some high risk areas, your Benz, BMW and other high-end cars are uninsurable unless they have been Clifford-equipped. That's specifically Clifford; not Chapman or any other system.

The heart of the amazing Clifford is a mini-computer. It controls the key components of your electrical and fuel system. Only the correct 5-digit combination punched into the keypad under your dash provides operation of your car. The only way an intruder gets under your hood is by ripping it off. Even then, computer vibration sensors

activate 250DB air horns which convince any thief to run for his life.

The Clifford System cannot be jumped, short-circuited or overridden. There's much more that only a demonstration can show you. Contact one of the exclusive dealers below.

THE JACK BENNY MEMORIAL JUNE BUG  
PYLON KNOCKER AUTOCROSS

Date: June 28, 1981  
 Time: Tech 10:00-11:00 a.m.  
 Practice 11:00-11:30 a.m.  
 Timed runs begin 11:30 a.m.  
 Dinner 6:00 p.m.  
 Place: Southwest corner of Lakehurst  
 Mall, Waukegan, Illinois  
 Dinner at Cervantes Restaurant  
 northeast corner of mall

It's time to bring summer in strong with a chance to head up to Waukegan for a full day of asphalt, pylons, and fun. In addition to plenty of driving, this event will serve as a membership drive for those friends, acquaintances, and other Porsche owners interested in becoming future PCA'ers. There will be a special "Novice Class" for those people new to the club or first timers. All novices will tech out, watch, and partake in the autocross with aid from all of us. There will be a special novice trophy awarded, and a chance to see what their Porsches can really do. Remember, if a novice wants to run, he or she will need the proper equipment and help in teching the car. Due to the increased number of cars running, your help in being a "big brother or sister" certainly will aid in keeping things going smoothly. Here's a chance to show everyone not only what the Marque can do, but most importantly, proving what a PCA'er is all about.

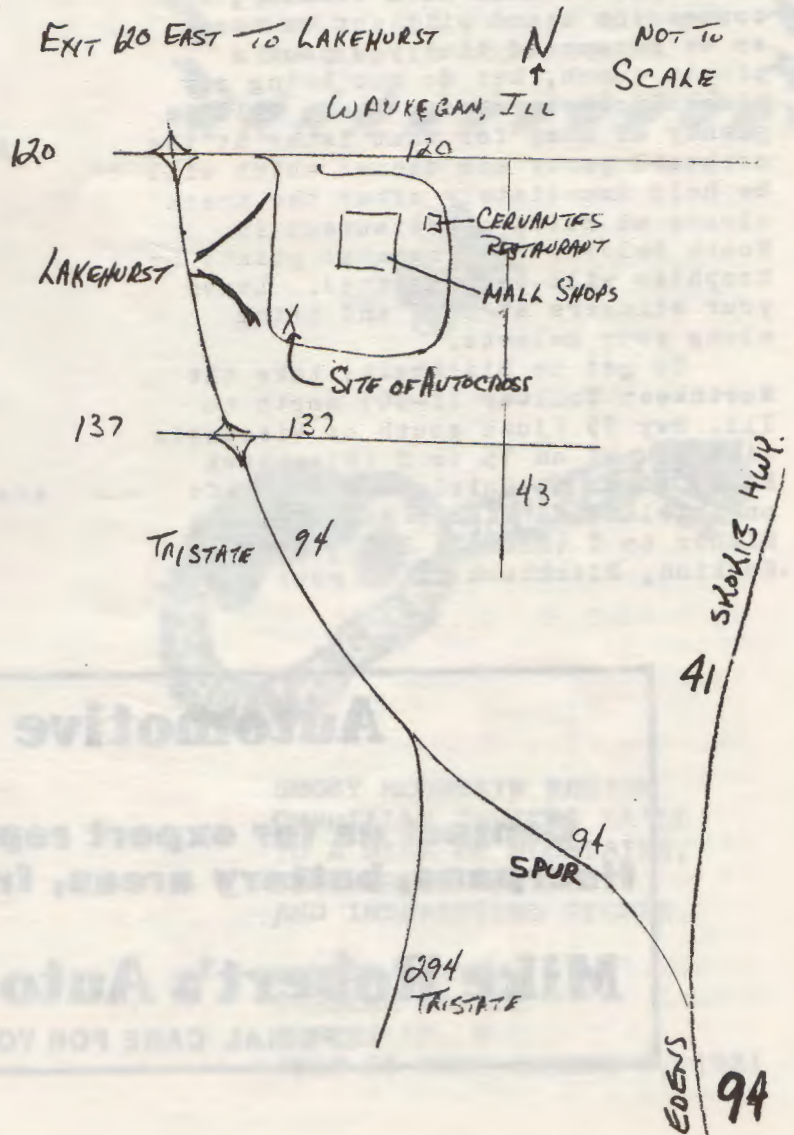

Following the autocross, everyone will convene at Cervantes Restaurant located on the northeast side of the mall's lot. They'll be serving super big, juicy and delicious sandwiches with an "all you can eat" sumptuous salad bar. Choice of sandwiches include Cheeseburger, French Dip or Reuben.

## 11TH ANNUAL 8 HOURS OF BLACKHAWK

Date: Wednesday, July 8, 1981  
Wednesday, August 5, 1981  
Place: Blackhawk Farms Race Track  
South Beloit, Illinois  
Time: Registration and tech  
8:30 a.m. - 12 noon  
(Registration will close at  
noon. Be there before that  
or you will not be admitted.)

If you enjoyed Elkhart, you will love the 11th annual eight hours at Blackhawk. Once again you will have the opportunity to learn high speed handling and safety techniques in complete safety and to get in a little practice before the second Elkhart weekend.

By virtue of the fact that this is being held on a weekday, the track rental is less expensive and the course should not be crowded. For all of those who desire, several well qualified instructors will be present to help you learn proper shifting, braking and cornering techniques.

Because this is a weekday, the concession stand will not be open, so we recommend that you pack a picnic lunch, but do not bring any alcoholic beverages. There will be plenty of time for that later at the cocktail party and dinner which will be held immediately after the track closes at Buffa's restaurant in South Beloit. No regional points or trophies will be presented. Leave your stingers at home and bring along your helmets.

To get to Blackhawk, take the Northwest Tollway (I-90) north to Ill. Hwy 75 (just south of Wisconsin line), West on 75 to T (Blackhawk Rd.), right to Shirland Ave., left on Shirland to Fisher Rd., left on Fisher to T (Rockton Rd.), left on Rockton, Blackhawk is on your right.

## IROC - 1981 GRATTAN'S BACK

Western Michigan Region, Motor Stadt Region, and Michigan Indiana Region will tri-sponsor an IROC event at Grattan Raceway this year. The Grattan event will be MSR's and MIR's IROC event for the series. There will be no IROC at Plymouth or Owosso Speedway this year. The IROC series for 1981 will be a three event series. The over-all winning region champion will still be based on a percentage of participation from each region for each region to win the traveling trophy. For overall class champions, overall class trophies will be based on competing in more than one individual event up to three events.

Grattan is a 14 turn, 1.8 mile, very challenging road course. It will be a big plus to the IROC series. This year IROC will be a better autocrossing series, so come out and support your local region.

If you want further information or a registration form for the event at Grattan, call Tom Thompson, your IROC representative, or Linda Gutman, newsletter editor, both numbers are on the front of the newsletter.

The three events for IROC this summer will be:

Road America	May 23-24
Grattan	June 27-28
Ionia	August 22

Place: Lee Klinger Porsche Audi  
Highland Park, Ill

Just in time to prepare for the Parade, George and Linda Gutmann will be putting on a short Saturday evening rallye. We'll wind you through some of the best roads in northwest Illinois. This should put you in the mood for the Parade if you're going. It will be a fun evening even if you're not.

The rallye will be a low pressure TSD, totally finishable. George promises some nice trophies to those who come in with the best scores. We promise a good time to everyone else.

## TURKEY OF THE MONTH

We have a bona fide turkey this month. None other than your esteemed editor. We decided to bestow the honor upon me when, upon receiving last month's newsletter, and thumbing through it (yes, I do look at it after it's done), I realized that I had left the map out for the boat ride. This was again brought home when our social chairperson called and said that Sue was going to sue. She read her article, looked for the map, and it was nowhere to be found.

I am honored to accept this award for the month, and yes, I did put the map in this month.

Well, one Elkhart event under our belts, and a whole summer of Porsche fun to look forward. It sure was fun to be with the group for the weekend. A little bit of moisture, but it couldn't put a damper on our fun. "Green Guy" ran great, everyone wanted to know if we had gotten a new car. No, just a new cover for the old one. He'll always be "Green Guy" though. We could always say he was an undercover agent working in disguise.

Two events this month, one social and one fest, but both fun. The boat ride sounds like it will be great. I've never been on a paddle wheeler. And, of course, the autocross goes without saying that it will be fast and fun. Let's hope we get a big crowd out to both. What better way to spend your time than being with your fellow Porsche pushers?

Before you know it, the Parade will be upon us. We're making our preparations now and really looking forward to the trip. Looks like we have quite a few people going. It should be fun.

This is the time to get out and do it!! There's no better time than summertime in Chicago. Hope to see you soon,

*Linda*

## Running Board

Date: April 17, 1981

Place: Home of Joe Hill

President reported that 1981 PCR's do not apply to this year's IROC. Elliott Papermaster is encouraging Chicago Region to participate in the Milwaukee October weekend @\$150/couple.

Mae Minato reported that Todd Kaitis transferred his membership back into Chicago Region. Also that Jim & Sue Bulgrin moved to L.A. Marty Frank and Chuck Deets were approved for membership.

Tom Thompson reported that for IROC 3 cars will make a class. There will be three IROC events this year instead of four. The other IROC regions want to borrow our timing equipment for the event at Grattan June 27. We will lend it, but Rip Patterson is to check insurance coverage for property damage of timers, and Tom Thompson is to contact other 3 IROC regions to see who will be responsible for equipment.

National awards forms are available for nominating a family or enthusiast of the year. Call Jerry Meyer for further information.

Next meeting May 15, 1981 at Owen Johnson's.
