Looking for a little excitement in your life?

Find it with some TRACK Time with the Chicago Region

Experience the kind of driving your Porsche was designed for!

Come find out! Let our seasoned PCA instructors show you what you've been missing. We will teach you the skills required to drive your Porsche or other sports car at its limits in a safe and secure environment.

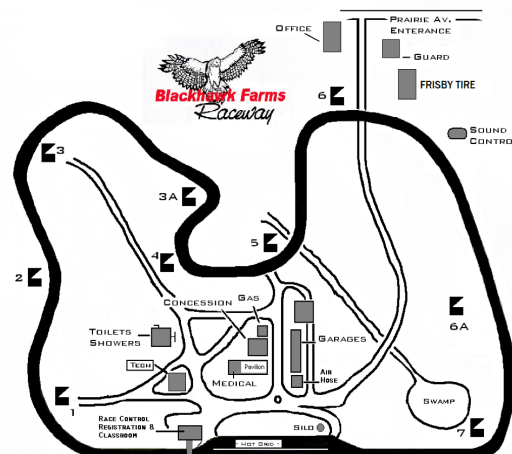

Blackhawk Farms Raceway is a challenging track incorporating a variety of undulating curves and straights that provide an ideal learning environment. Novice drivers get instruction throughout the day until they are ready to go on their own. Blackhawk is a 1.9 Mile, 7 turn track.

# Blackhawk

Two Friday & one Tuesday events plus our two-day Aloha fest weekend.

The season begins with our Novice Day event on Friday, April 26th. This event is dedicated to the novice driver. You will want this event if you are new to the club or have no Track experience. We typically have 30 or more novice drivers at this event so in addition to learning how to handle your vehicle, it is also a great way to meet fellow club members and their cars. This year we will be incorporating one experienced group at this Novice Day event. This group is open to all who have previous track experience but have not reached the instructor level.

The June 21 and our Super Tuesday July 9 events are open to novice and experienced drivers. Run groups will be based on driver experience. A novice group with both on track and classroom instruction will also be provided.

***YOU WILL BE AMAZED ON HOW MUCH YOU WILL HAVE LEARNED AND ACCOMPLISHED!***

Why Super Tuesday? Easy day to take off and who takes off Tuesday's? Tuesdays are slow at work, fast on track with a relaxed atmosphere, Boss won't even know you are away. Keeps a weekend open in July! Yes, Got to love it!

The season ends with the Oktoberfest two-day weekend event. This is open to drivers with previous experience. No novice instruction will be provided. The weekend event includes our famous dinner party Saturday: We will be featuring a Hawaiian Aloha "Oktoberfest" food and spirits. Fun for ALL with a bon fire closing the evening. Yes, pizza at the track on Sunday.

## **Blackhawk DE I - Novice Day Friday, April 26**

This event is open to all drivers with an emphasis on the novice driver. Dedicated instructors will provide the novice students with a full day of instruction including two classroom sessions. We will have one group open to experienced drivers in addition to the novice and instructor groups.

## **Blackhawk DE II and III Friday, June 21 & Super Tuesday July 9**

These events are open to all drivers from novice to experienced. Run groups will be based on driver experience. A separate novice group with both on track and classroom instruction will be provided.

## **Blackhawk ALOHA Fest Weekend Saturday & Sunday, Sept 28 & 29**

This event is open to drivers with previous experience only. No novice instruction at this event will be provided. Blackhawk will be open for entry and camping at 5PM Friday Sept 27th. Registration for Saturday includes our famous Dinner Party, Bonfire & Sunday includes a Pizza Party for all.

## **MANDATORY REQUIREMENTS**

Clothing for all drivers at this event includes: a Snell SA 2015 or 2020 Helmet, long sleeve shirt, long pants, socks, all made of non-synthetic materials, and closed toe shoes. Recommended but not mandatory are: driver's suit, driving gloves, driver shoes and a protective neck brace all made of Nomex or similar fire-resistant material, and a properly mounted fire extinguisher. You will be required to show a valid driver's license along with a valid PCA Membership card at registration. If you or your car does not pass Tech Inspection, you will not be able to drive. You can save time at the track by bringing your car to a recognized Porsche Dealer or Porsche Specialty Shop for mechanical inspection and having them complete, sign and stamp the Chicago Region Tech Inspection Sheet. Pay particular attention to specifics concerning brake pads and fluid, since Blackhawk Farms is very hard on the brake system! Pay attention to "Hans Device" rules. **If you have a harness, a Head & Neck device is required.**
