This unique urban drive lets you enjoy the distinctive sound of your Porsche while driving on Lower Wacker Drive across downtown Chicago. This is why you paid extra for a sport exhaust system. Roll the windows down for maximum effect. Also, it is a pretty handy way to cut through the core of the city. There are several points where you can get on and off Lower Wacker. It is one of the best 'secrets' of downtown Chicago. You want to watch the signs closely on this drive.
